Nightingale Pledge

by Lystra Gretter, 1893

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician, in his work, and devote myself to the welfare of those committed to my care.

Nurses' Prayer

Dear Lord:

Thou Great Healer, may thy great strength and power flow through me and lend skill to my hands, vision and judgment to my mind, and compassion to my heart.

Grant me the strength to minister to my fellowman in his hours of suffering and travail. Make me worthy, Lord, of this saintly task and may I faithfully discharge my duties in deep humility, worthy of the trust and faith placed in me.

Amen.

"New Beginnings"

Each chapter that is ending
Leads us to a new beginning
The past we are leaving
Means a future we are winning

Each change that fills the present
Sets the stage for our tomorrow
And how we meet each challenge
Helps determine joy or sorrow

In every new beginning
Spirit plays a vital part
We must approach tomorrow
With a strong and steady heart

So as we turn the corner
Let's all apprehension shed
And fill our hearts with confidence
As we proceed ahead

"New Beginnings"

Each chapter that is ending
Leads us to a new beginning
The past we are leaving
Means a future we are winning

Each change that fills the present
Sets the stage for our tomorrow
And how we meet each challenge
Helps determine joy or sorrow

In every new beginning
Spirit plays a vital part
We must approach tomorrow
With a strong and steady heart

So as we turn the corner
Let's all apprehension shed
And fill our hearts with confidence
As we proceed ahead

Sorry if we woke you
In the middle of the night
But someone in your neighborhood
Is fighting for his life
Sorry we blocked the road
And made you turn around
But there's a bad wreck
With injured people on the ground
When you see us coming
I hope you'll understand
Let us have the right of way
Someone needs a helping hand
Sometimes a child is choking
Sometimes a leg is broken
Sometimes a heart stops beating
If we don't arrive it may be too late
So if you see us crying
When we think we are alone
You'll know we had a bad one
And we're feeling mighty down
We don't do it for the money
We don't do it for the glory
But for the life that might be saved

NURSE'S PRAYER

Dear Lord:

Thou Great Healer,
May Thy great strength and power
flow through me and lend skill
to my hands, vision and judgment
to my mind, and compassion to my heart.

Grant me the strength to minister to
my fellowman in his hours of suffering
and travail. Make me worthy, Lord,
of this saintly task and may I faithfully
discharge my duties in deep humility,
worthy of the trust and faith placed in me.

to my hands, vision and judgment
to my mind, and compassion to my heart.

Grant me the strength to minister to
my fellowman in his hours of suffering
and travail. Make me worthy, Lord,
of this saintly task and may I faithfully
discharge my duties in deep humility,
worthy of the trust and faith placed in me.

Amen.

Graduation Prayer

Father,

I have knowledge, so will You show me now,
How to use it wisely and find a way somehow
To make the world I live in a little better place,
And make life with its problems a little bit easier to face.
Grant me faith and courage and put purpose in my days,
And show me how to serve Thee in effective ways.
So my education, my knowledge and my skill
May find their true fulfillment as I learn to do Thy will.
And may I ever be aware in everything I do,
That knowledge comes from learning,
and wisdom comes from You.

Amen
